Finally . . . We're Number 1 #

AT LAST!!

After two past years of being "almost number one" and watching the Diablo Valley Championship slip away from our disappointed hands at the last moment, the Ygnacio Valley 1971 Warriors finally did it—they won the championship . . . Yet we were still only rated 3rd in the Bay Area by the overly pessimistic Contra Costa Times. Our ego was the least to say shattered.

So . . . on one bright sunny November 25, 1971, the Ygnacio Valley Warriors set out to make the Contra Costa Times eat their words in a championship game against San Ramon in The Turkey Bowl. At half-time we were slightly behind at 7-6 and extremely shaken. But what a fabulous recovery we made the second half, including a fantastic catch in the end zone by supersport "Billy Piona" which helped lead us to a 32-19 victory over San Ramon.

And at the end of the game the excitement was electrifying as all devoted fans rushed down on the field to congratulate the Mighty Ygnacio Valley Warriors.

On the left, Pete Tenney, center and co-captain of the Ygnacio Valley Warriors proudly holds the trophy.

Tradition is rapidly becoming a lost art at Ygnacio ... with the declining of the "rah-rah's", the changing from the old constitution to the new, and an attempt to abolish the warrior and replace him with a frog mascot, we have certainly witnessed change. Homecoming however peacefully remained the same with the football players choosing 6 special girls who in their opinion deserved to become the cause of it all ... The Homecoming Princesses. But perhaps the fondest memories will not be held by the princesses but by their fathers who proudly escorted them under the lights at DVC on the night of the Homecoming Game.

THOSE WERE THE DAYS...

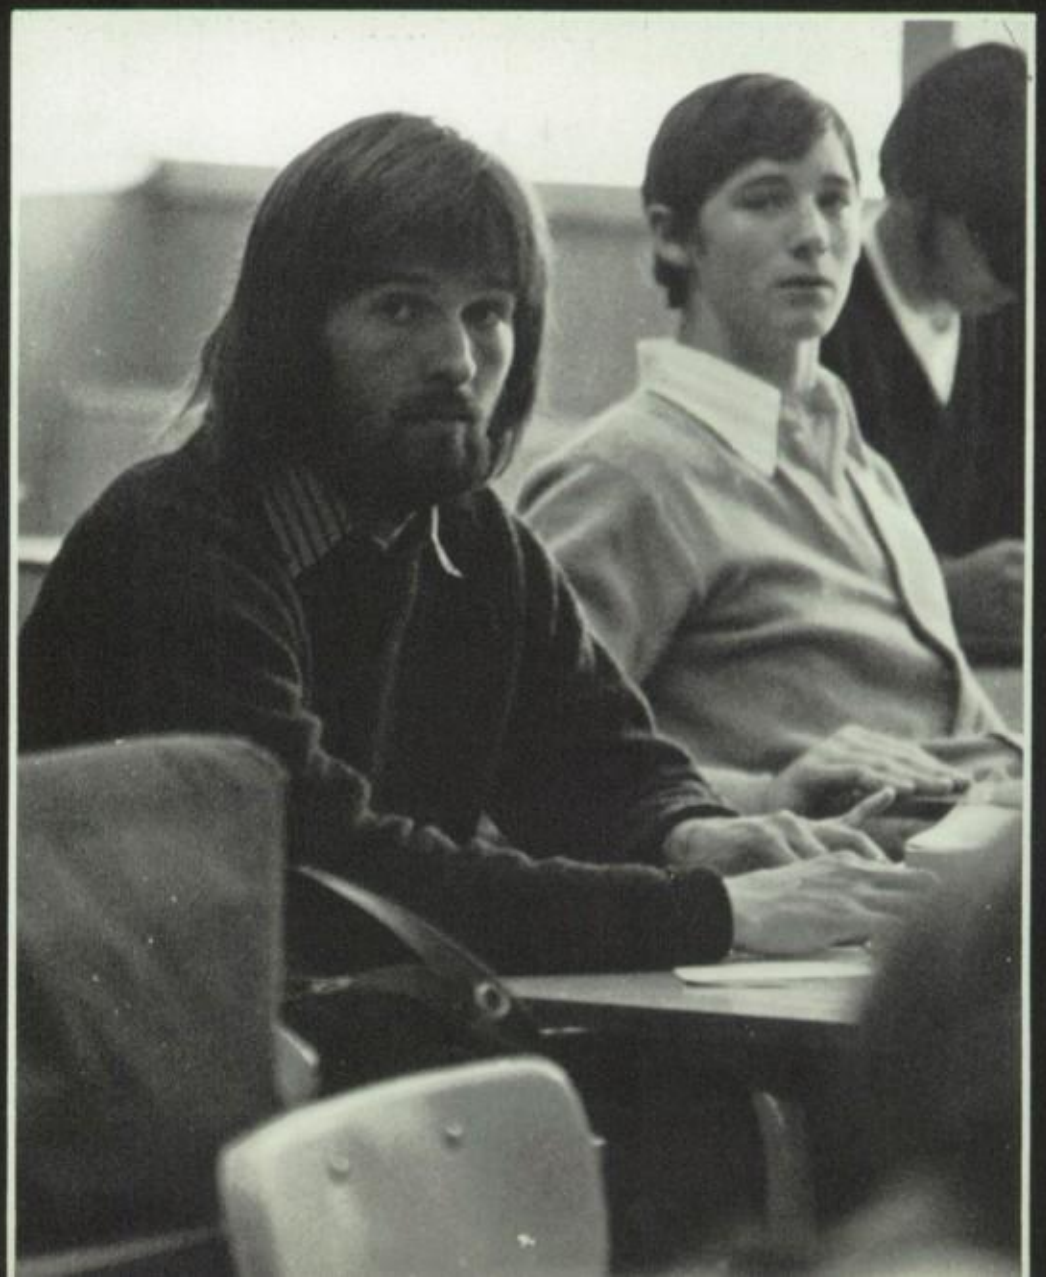

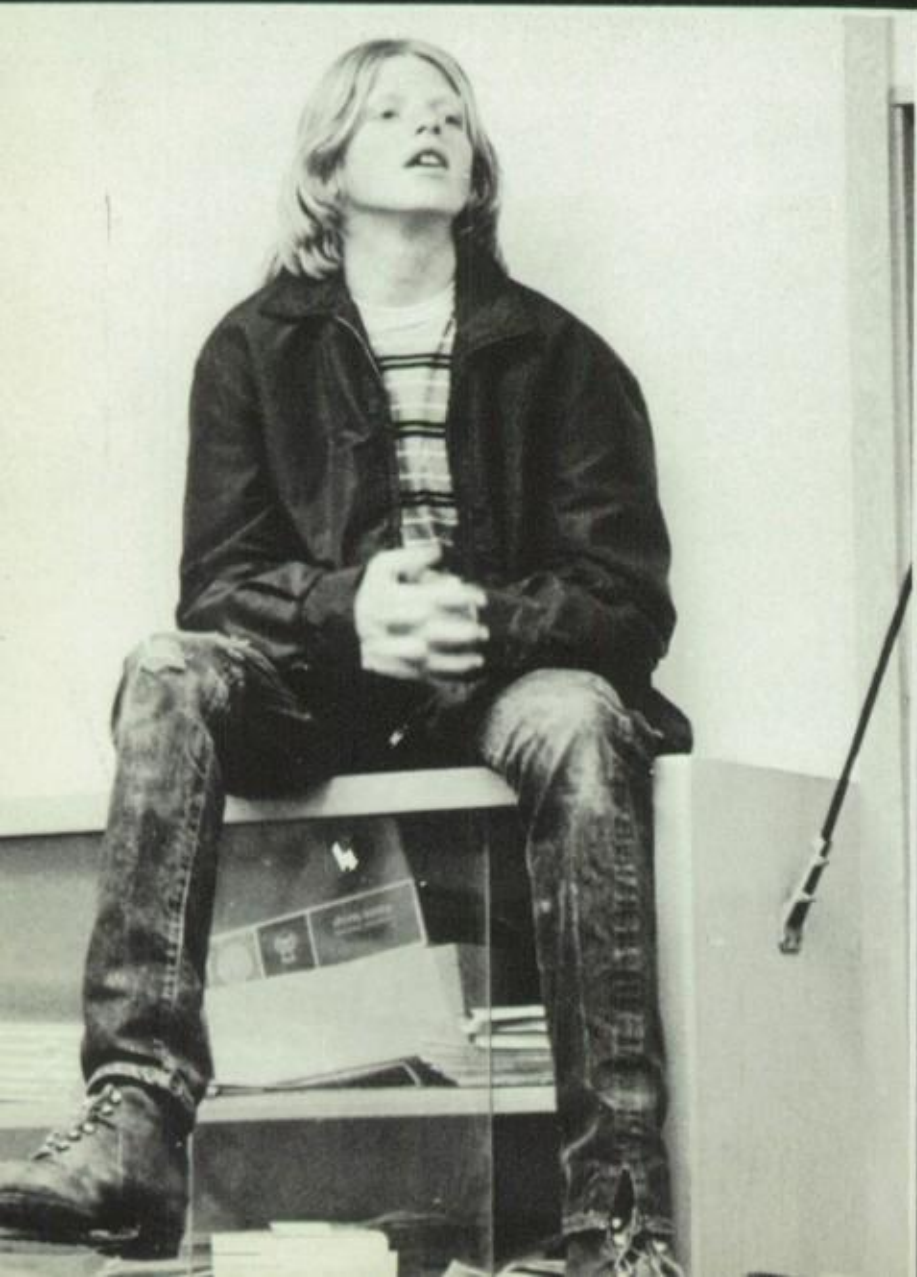

MY FRIENDS....

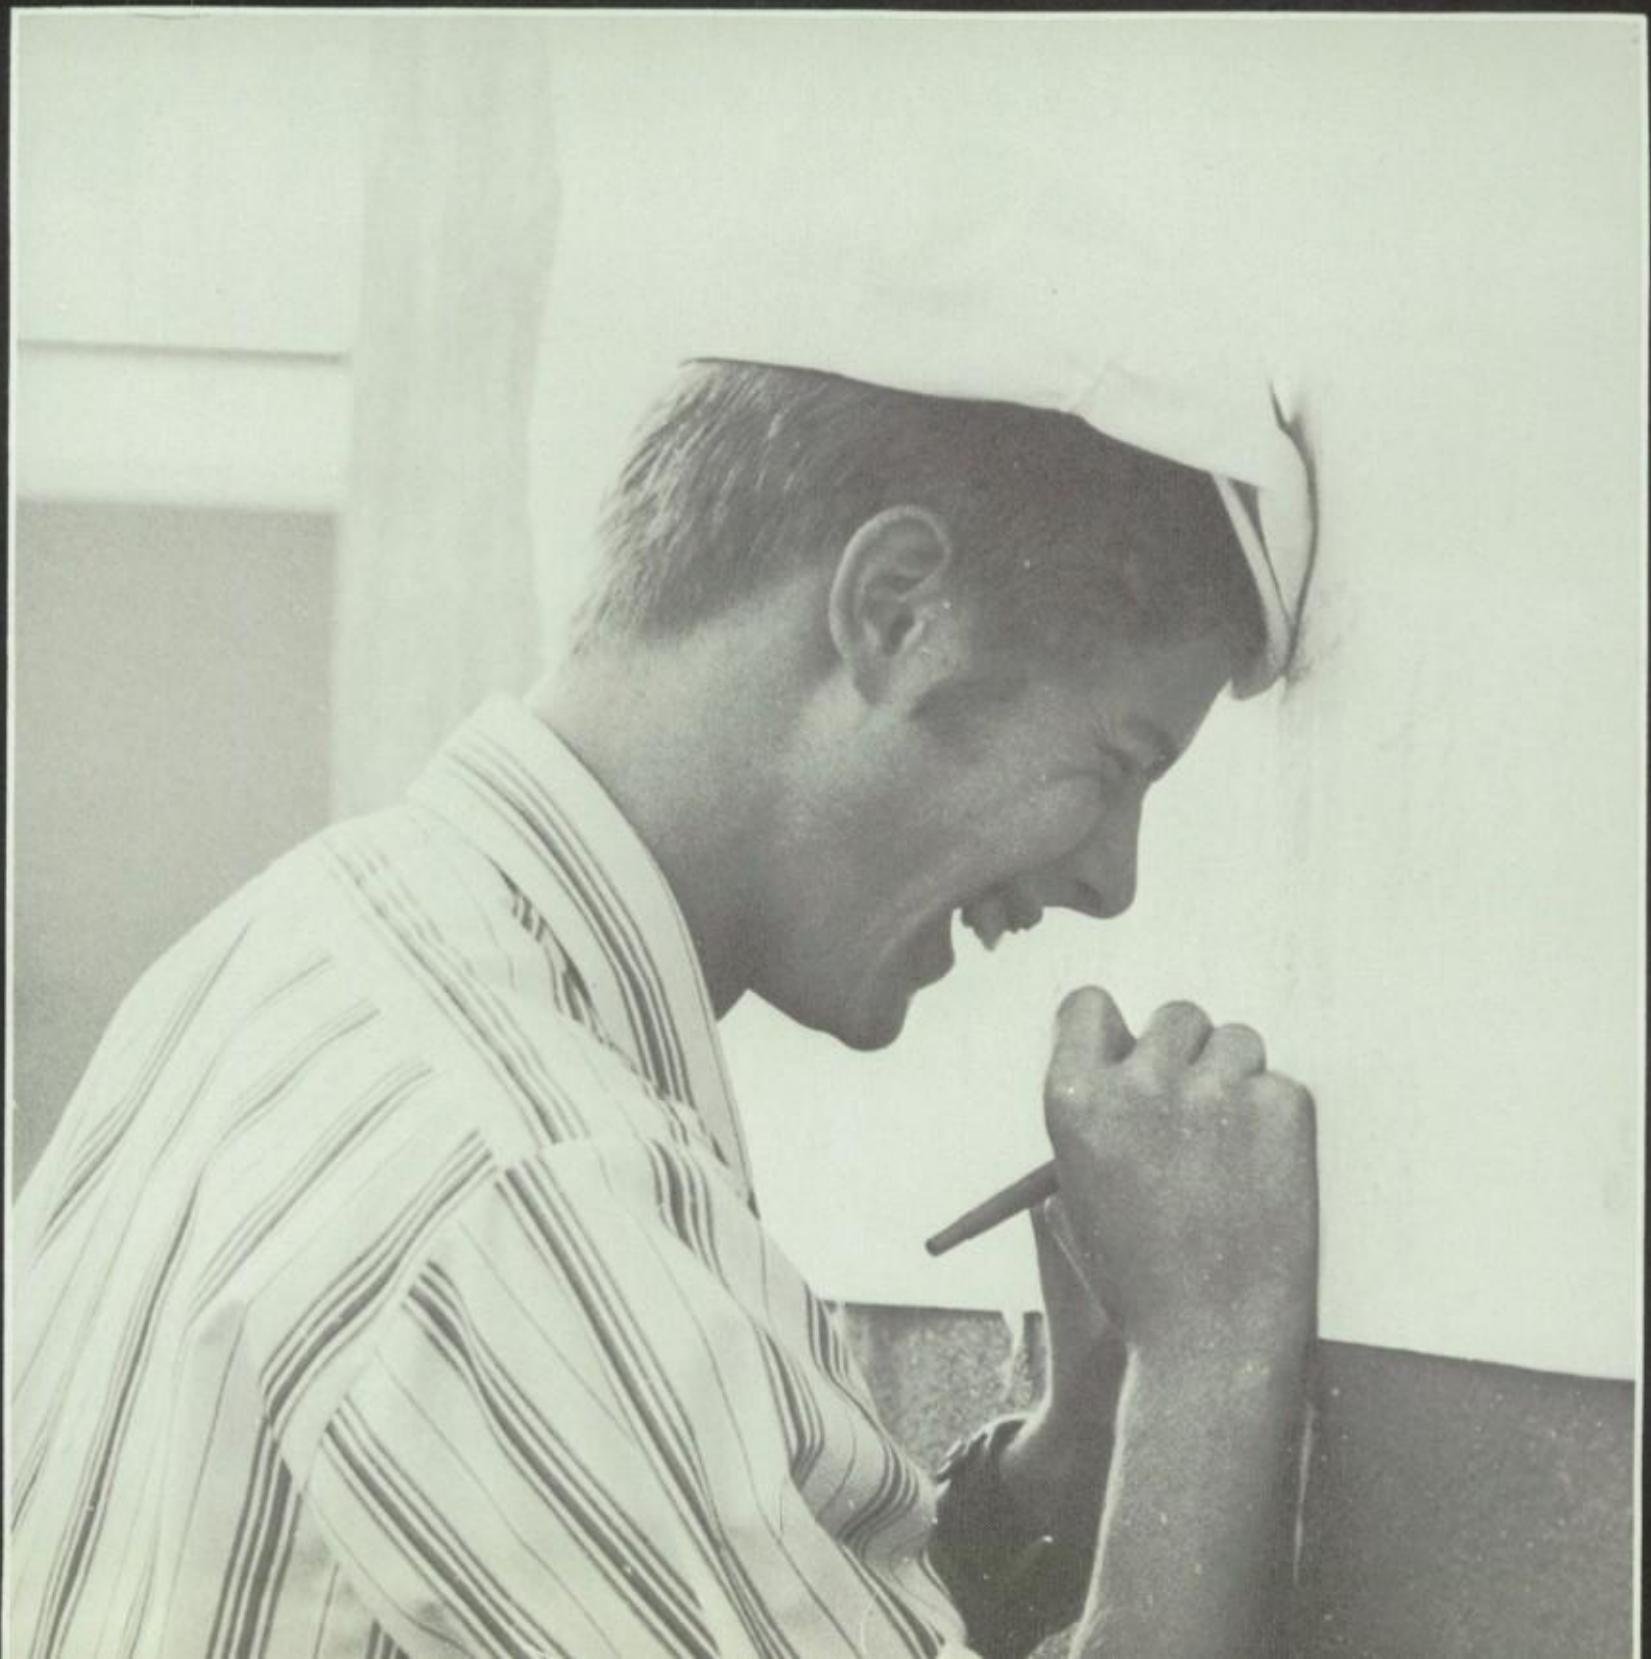

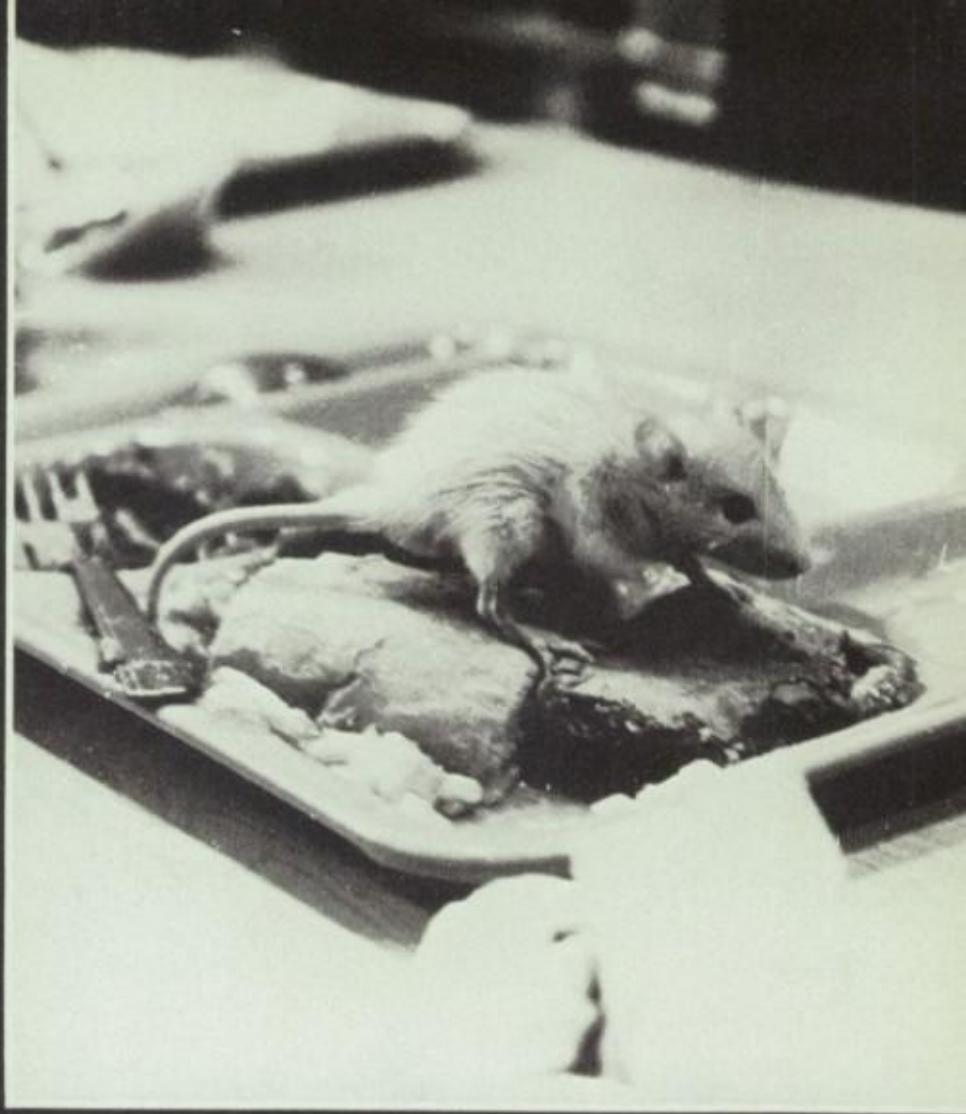

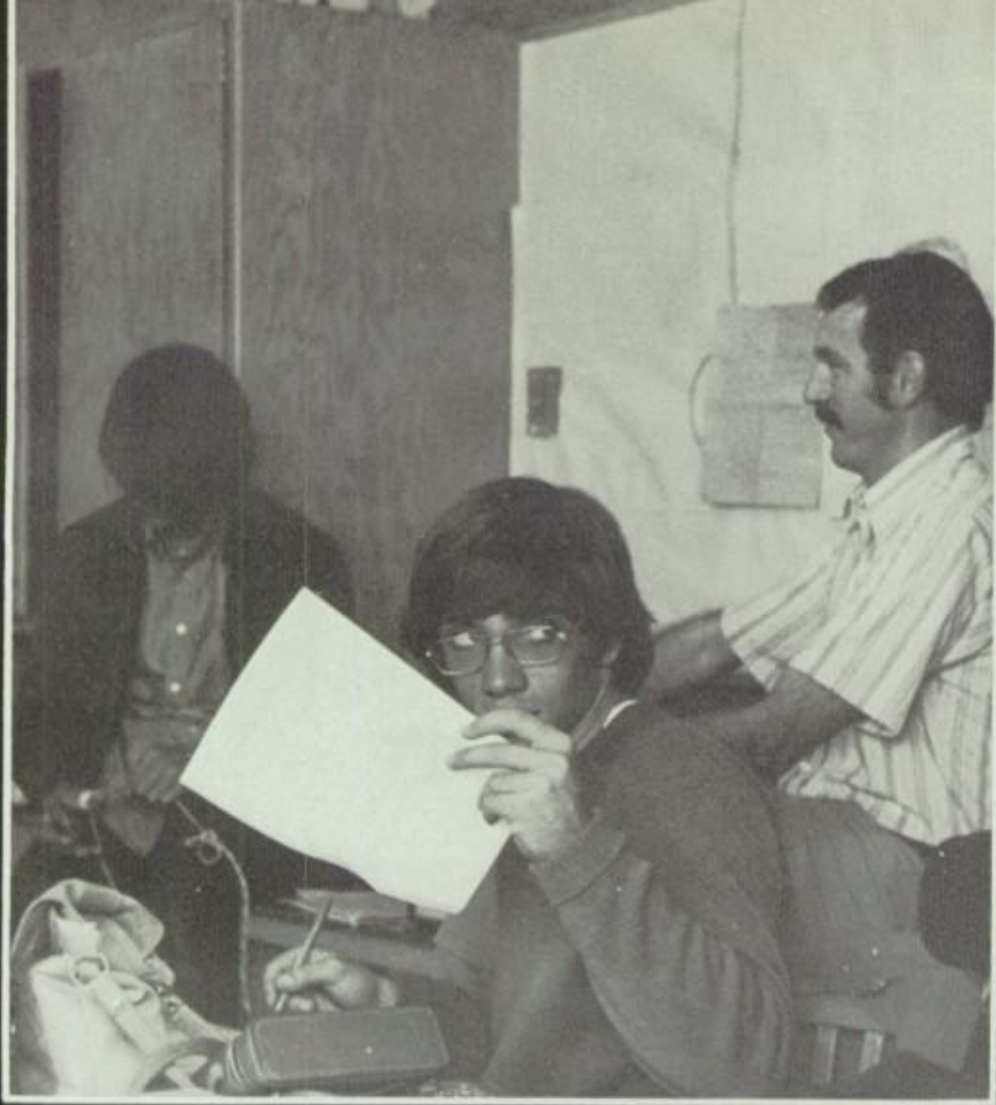

WE THOUGHT THEY'D NEVER
END....

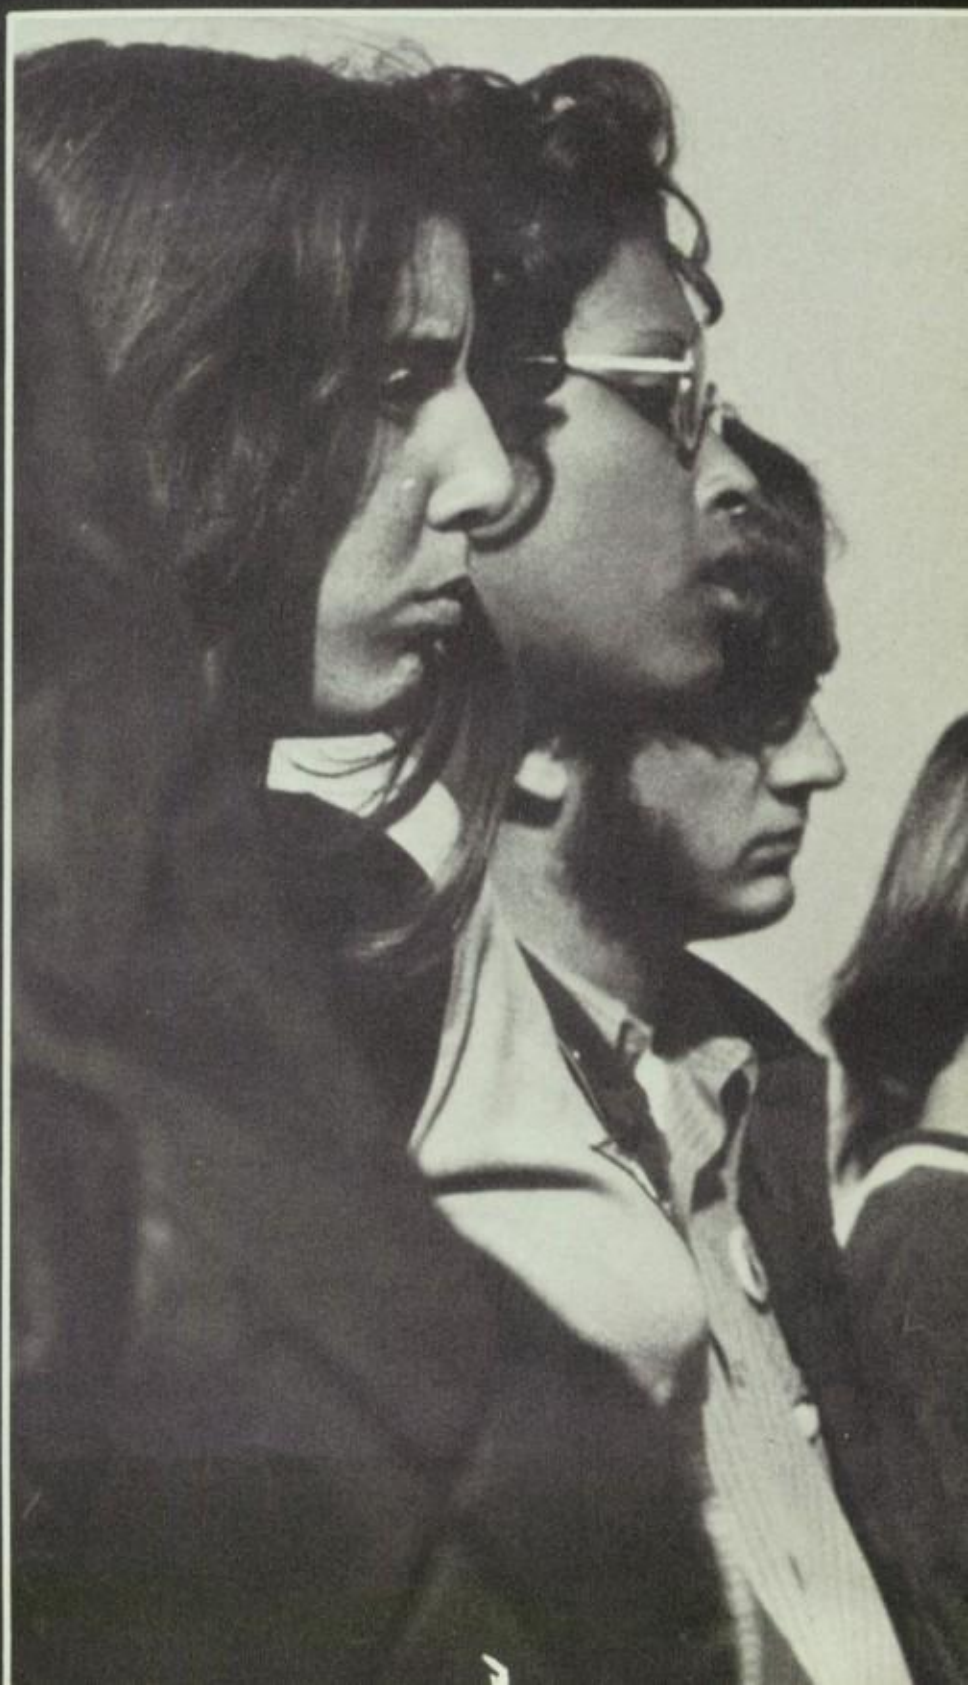

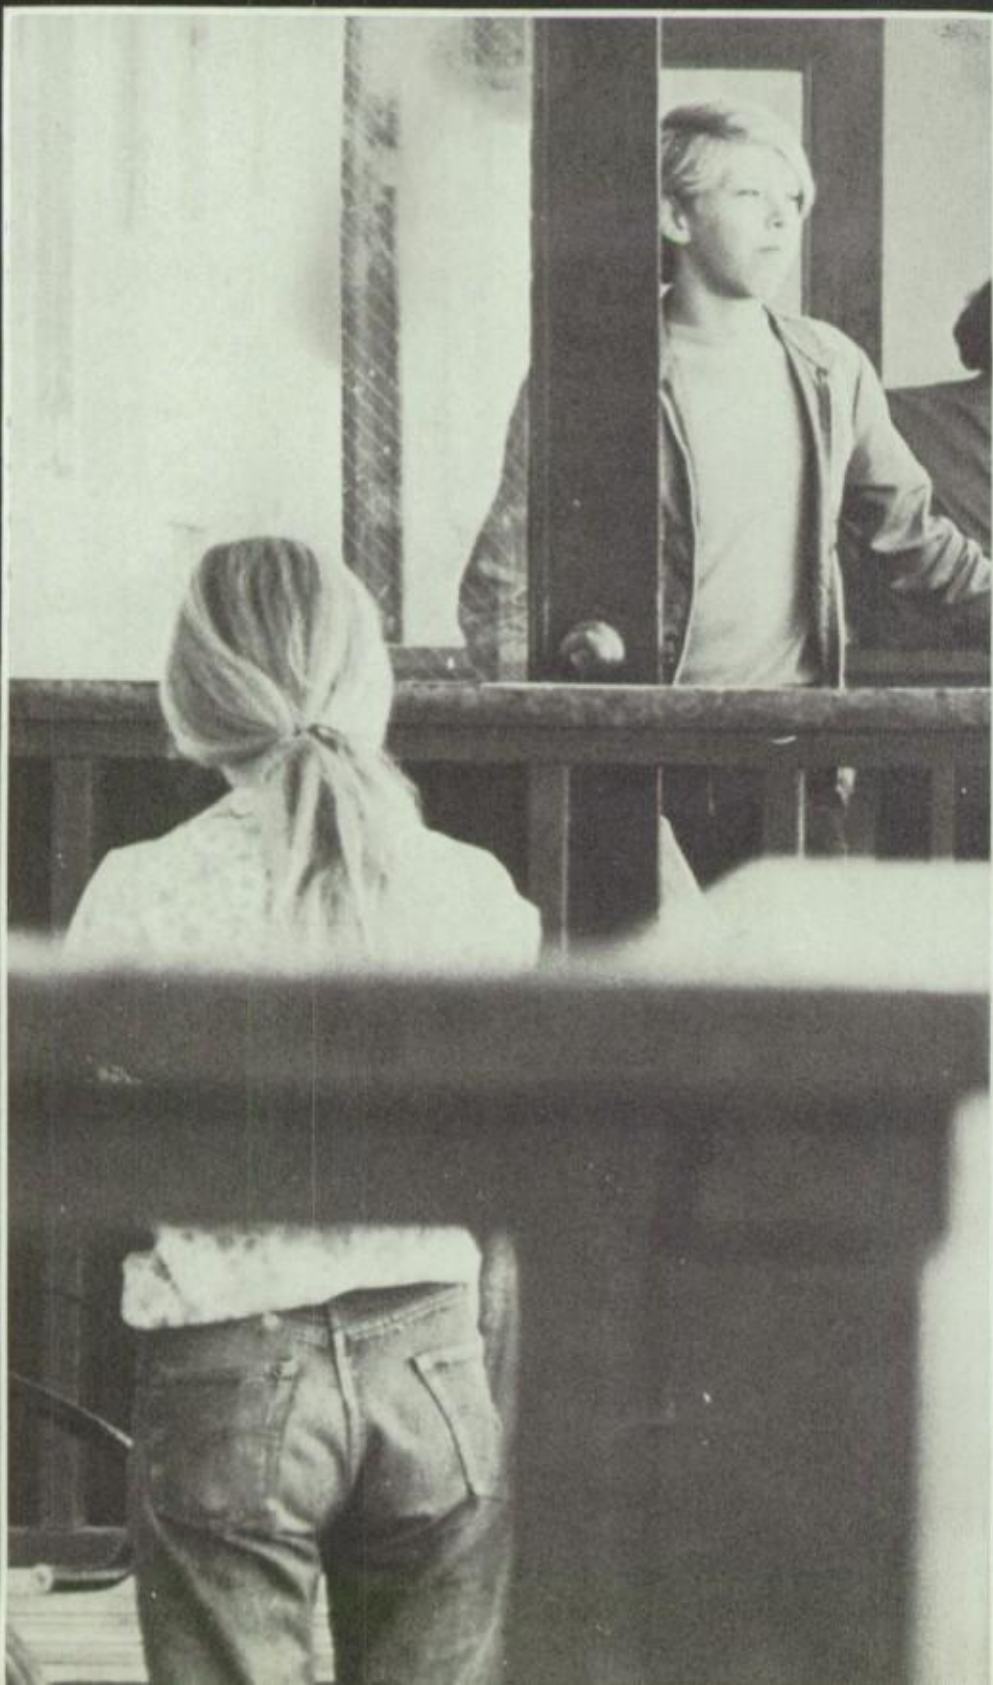

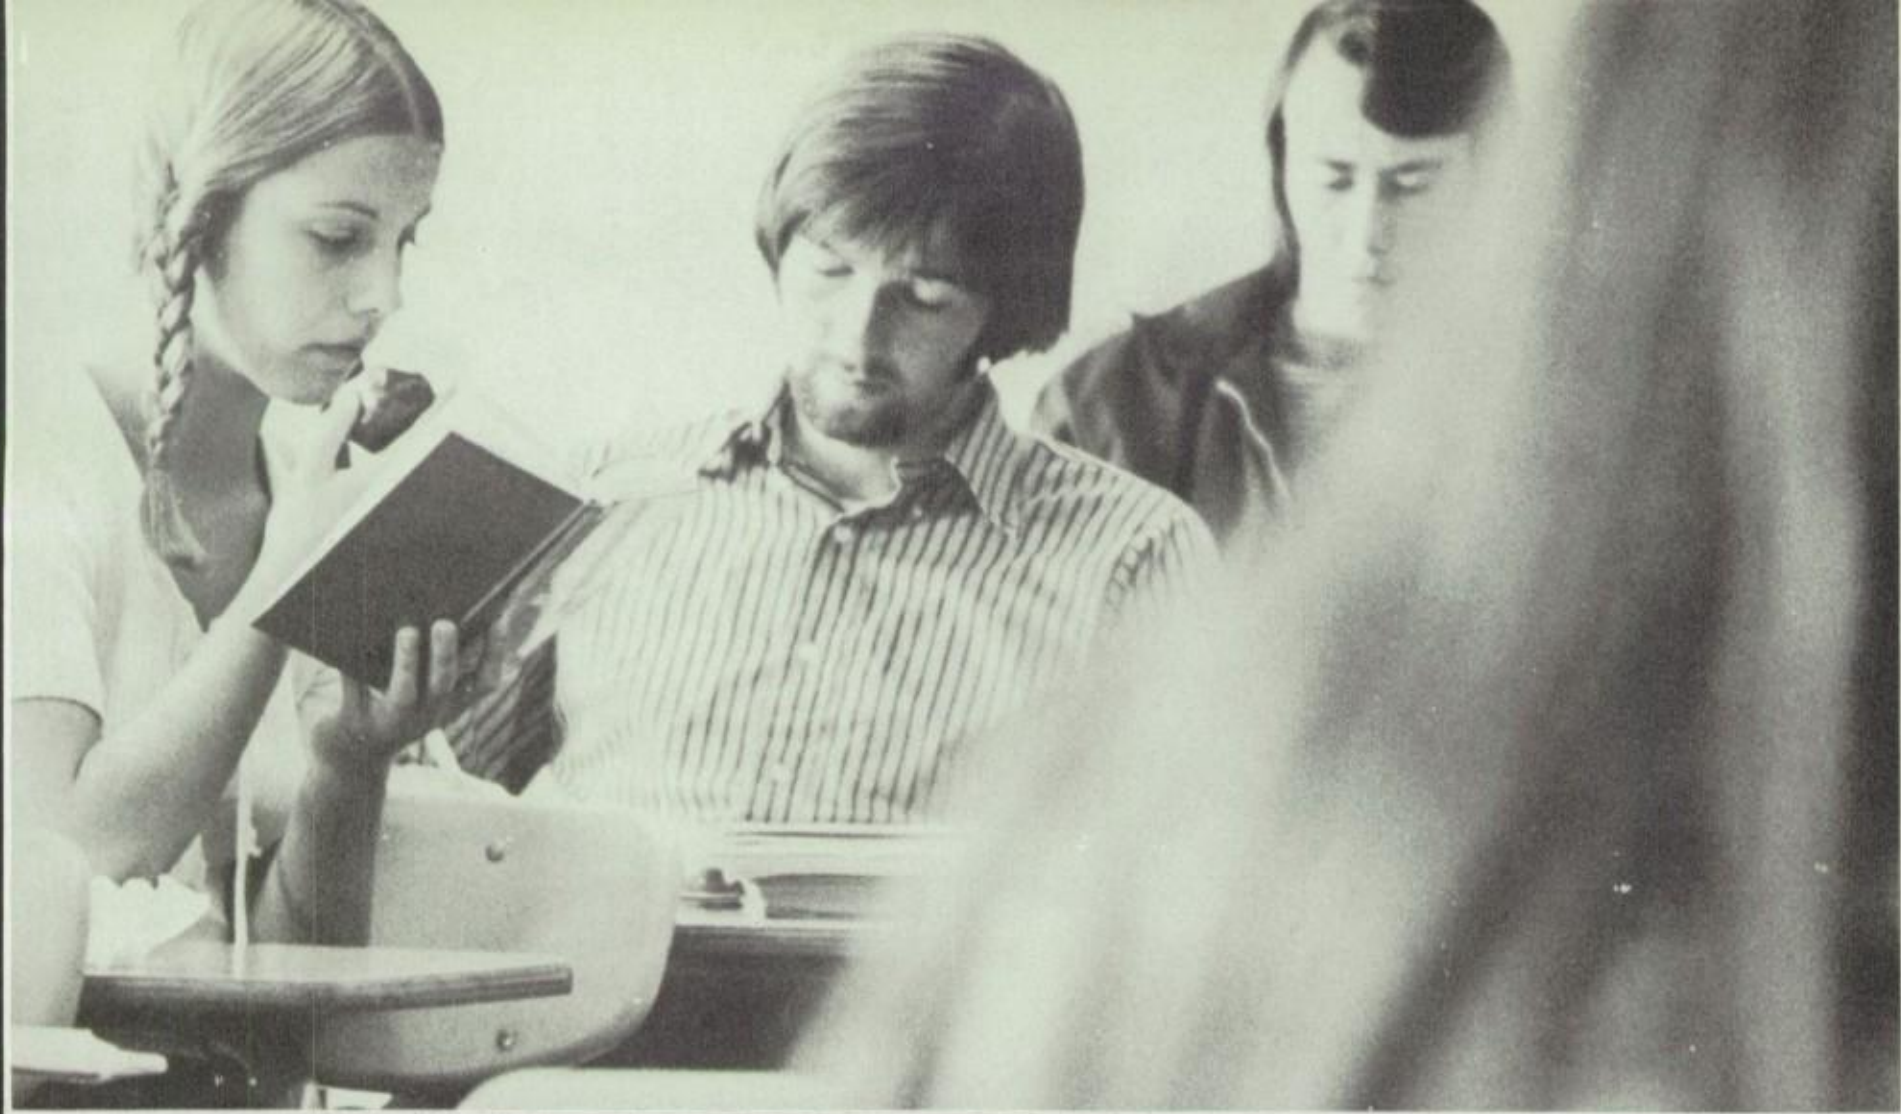

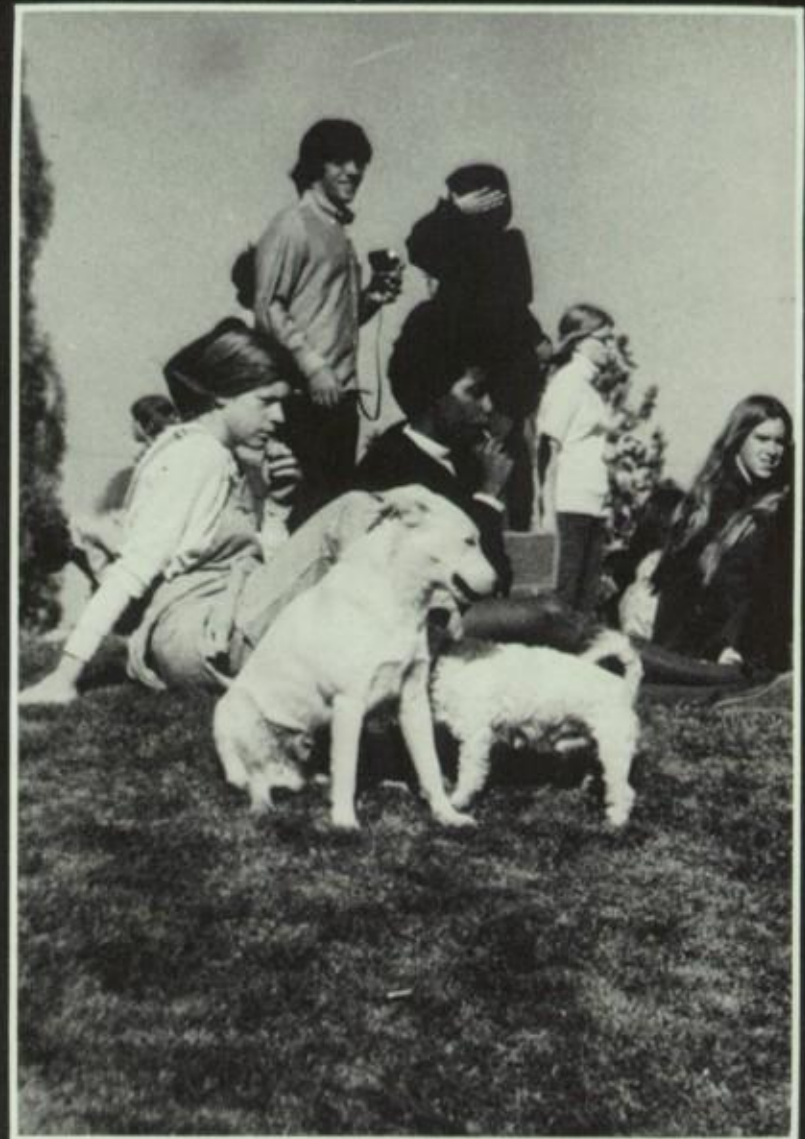

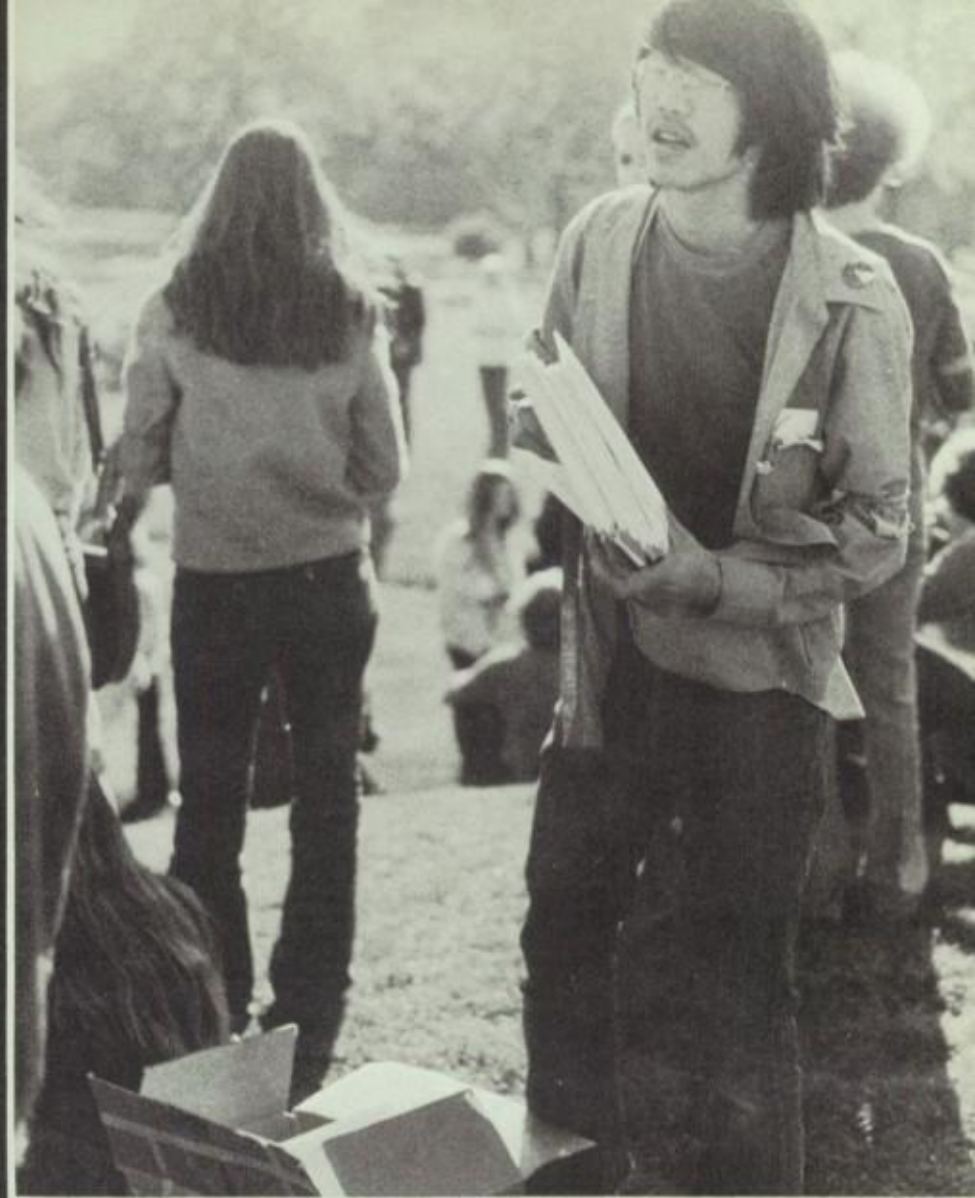

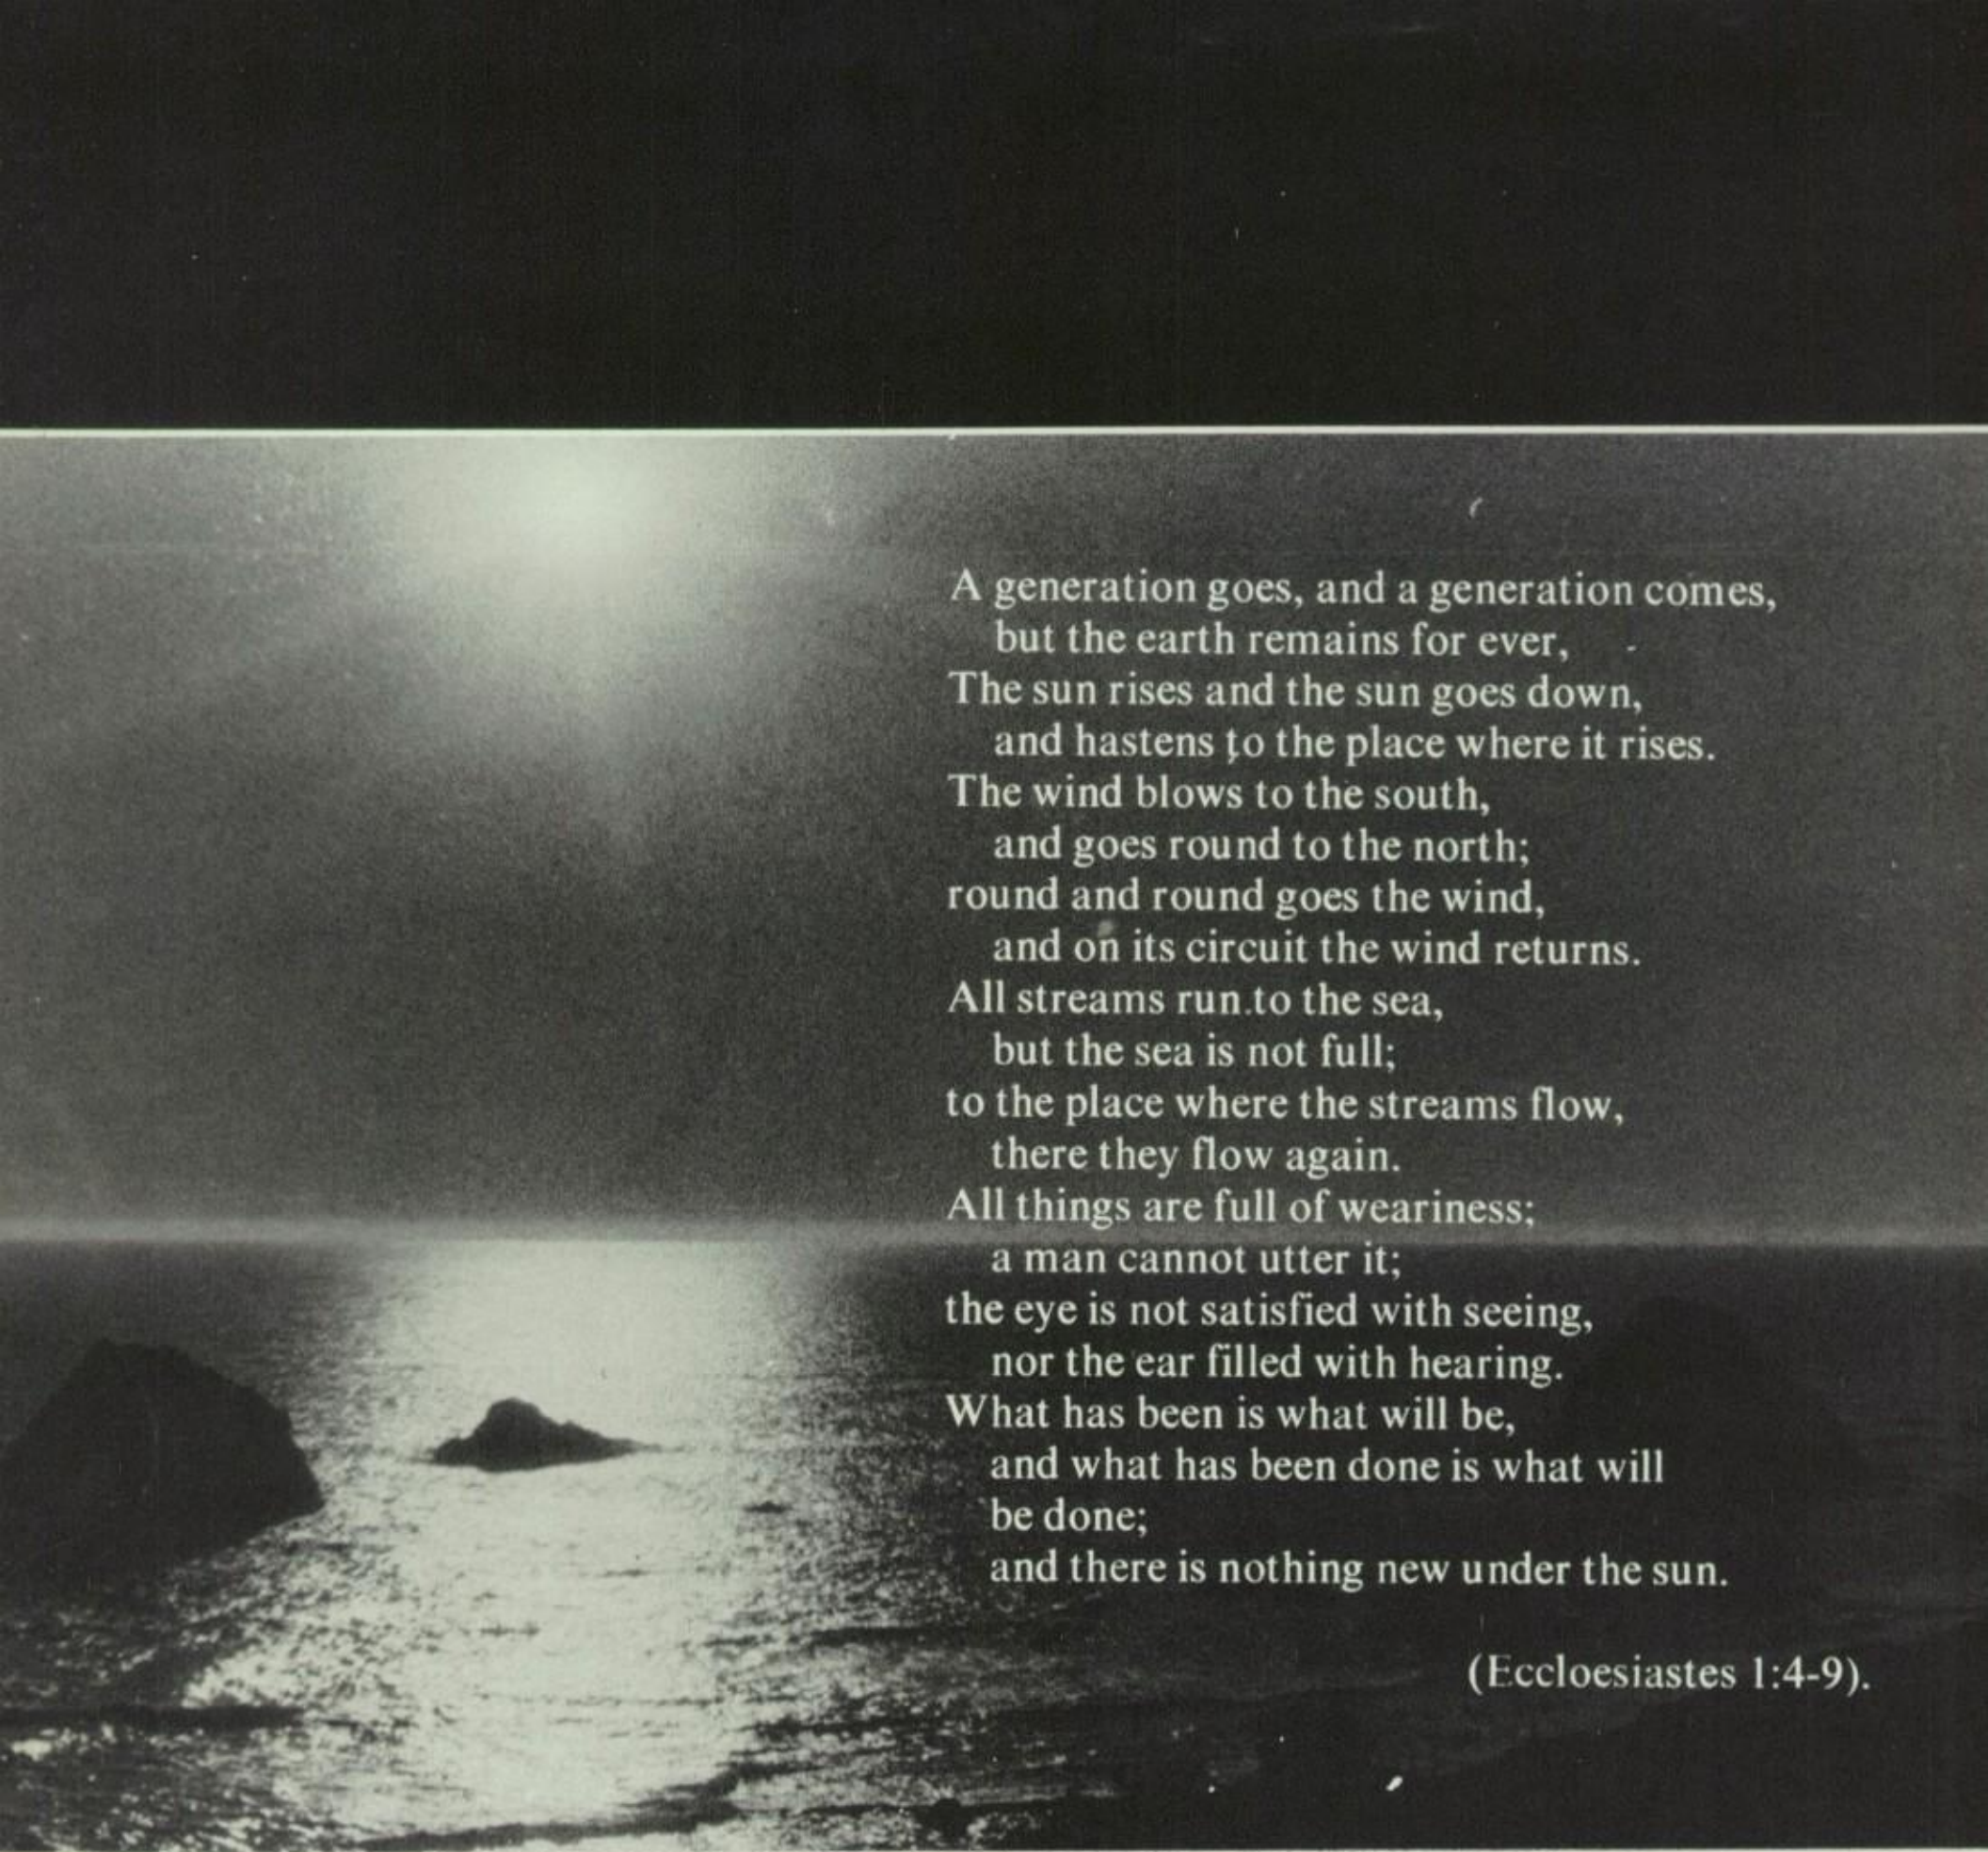

OH YES...

THOSE WERE
THE DAYS.

A generation goes, and a generation comes,
but the earth remains for ever,
The sun rises and the sun goes down,
and hastens to the place where it rises.
The wind blows to the south,
and goes round to the north;
round and round goes the wind,
and on its circuit the wind returns.
All streams run to the sea,
but the sea is not full;
to the place where the streams flow,
there they flow again.
All things are full of weariness;
a man cannot utter it;
the eye is not satisfied with seeing,
nor the ear filled with hearing.
What has been is what will be,
and what has been done is what will
be done;
and there is nothing new under the sun.

(Eccloesiastes 1:4-9).

To my dear sweet Matty,

How long has it been?!! THE whole school year. 9 months.

That's too long! Not really. Remember how we first started going to the neat football games. You know I didn't like you that much, BUT NOW... I'll never forget when we kept going to the football games in the rain and tripping all over the place and then I would drop my coat in the mud, and then I'd have to go talk to Marty and whoever else that would talk to while you would sit there talking to Steph or Craig. Boy I was a peep. Then when we went to the Elmermont Hotel with Corrie and Bunning and Dave and I didn't even sit next to you.

But now I practically sit on top of you. And don't forget our regular trips to Boundary Cakes, what would we do without those!! I'm sorry when I always used to talk about Mike and the other guy (I forgot who it was) really!! I'll never forget how sweet, considerate, understanding, lovable and everything else that you are and that any chick would ever want for a boy friend. Don't forget when we went to the beach last weekend and all the fun that we had with every-

Hi Lemon Drop Kid,
I'm really going

won't you? This

I'm really glad I
got to know you.
You're awfully cute

a far-out senior

one. You
are such a
doll. I couldn't
resist that line
just then. Then,
the time when
Bill and Steph were
going to gether we
went into San Francisco
and to the Wax
Museum then to
Ripply's. Believe it
not. That was so fun.

Then we rode cable cars
for an hour and that
Wino was so drunk and started trouble.
Then you bought that little bouquet of
flowers, instead of a corsage for the Junior
prom. That was so fun, we'll have to do
that again this summer if we're still go-
ing together by then. We'd better be. Me.
When we went with the Y.F. to Tahoe we
had so much fun, and you would wipe
me out with snowballs. Euy what a be-
ger. Don't forget that we had a regu-
lar routine going to the movies every
weekend, but now we can't go to at-

wouldn't fail. Now would
she. Remember happiness is
a kiss from Fifi. Don't worry
you'll get another job, because
you've got it in ~~them~~ you. Got
a little carried away there. I'm
really going to miss you this sum-
mer when I'm away for about five weeks
but whenever you get bored and don't have
anything to do just open up your yearbook
and read this over. I hope it cheers you
up. How could I almost forget. About when
we went to the D.A. that was so fun,
when I taught you that dance and you
didn't want to do it, but I finally got
you to do it. Then when we went to the
Homecoming, that wasn't that fun, but it
was still fun just being with you. I
hope you will never forget me, because
I will never forget you my sweetie, love,
adorable little fox. Well, I'd better stop
writing, because I could go on and on
bringing back memories that I don't want
you to forget, but it's get-
ting to the end, BUT RE-

Matt, I was really
exciting having
you in English and
in sales. You had
you dropped out of
sales. Without you
there it was so boring!
You're a really sweet
guy. (I hope you don't
mind being called sweet)
Just stay the way you
are. Keep smiling and you'll
be perfect. Good luck with
golf and everything else.
Have a great summer and
